

RFP for Selection of vendor for Website Redesign and Maintenance**RFP NO: CO: BFSL / SYS RFP/ 2022-23/ 13****RFP Dated: 23-02-2023****Addendum 02, Dated 13th Apr 2023.**

-

Important Details

- 1) Pg no#10: - Content Management -CMS (Readymade or Custom Build):- BFSL will prefer OEM supported Content Management Systems over home grown CMS.
- 2) Pg no#11: - **Original point** - Form data should be collected in Database and can be shared with relevant people in various formats such as excel, word. Pdf ... **Revised point** : BFSL would want the proposed platform to have built-in Forms Designer which can be integrated with any other component/system.
- 3) Pg no# 11: - **Original Point**:- Periodical updates to be done for plugins & modules used for the CMS.
Revised Point:- BFSL will prefer Enterprise versions of Content Management Systems that will provide back to back OEM engagements for availability of support, updates, security fixes, patches, etc. But the coordination and updates to be managed by bidder
- 4) Based on the latest industry standards CMS platform need to have:
 - 1.) Enterprise Open Source platform
 - 2.) Should have pre-exposed Headless Open APIs for ease of integrations
 - 3.) Should provide Source code availability to BFSL.
 - 4.) There should not be anything proprietary in the platform that requires additional cost/ licensing and if there is it should be clearly mentioned in the commercial proposal.
 - 5.) There should be no restrictions/ limitations in the number of users, usages and no vendor lock-in conditions
 - 6.) The platform should be capable of being deployed on both on-premise and cloud solutions without any change in sizing and with minimal efforts.
- 5) Update Appendix 02 – Bill of material
