7.0. Evaluation Methodology

A two stage process is adopted for selection of the vendor:

Stage1: Eligibility cum Technical Bid

Stage 2: Evaluation methodology for eligible bidder

- Technical Bid Evaluation
- Commercial Bid Evaluation
- Weighted evaluation

During evaluation of the Tenders, the Company, at its discretion, may ask the Vendor for clarification in respect of its tender. The request for clarification and the response shall be in writing, and no change in the substance of the tender shall be sought, offered, or permitted. The Company reserves the right to accept or reject any tender in whole or in parts without assigning any reason thereof. The decision of the Company shall be final and binding on all the vendors to this document and Company will not entertain any correspondence in this regard.

7.1. Eligibility Bid

Eligibility criterion for the Vendor to qualify this stage is clearly mentioned in Annexure 01 – Eligibility Criterion Compliance to this document. The vendor would need to provide supporting documents as part of the eligibility proof.

7.2. Evaluation Methodology for Eligible Bidder

After qualifying the eligibility criteria, the evaluation will be a three stage process. The stages are:

- Technical Bid Evaluation
- Commercial Bid Evaluation
- Weighted evaluation

The technical evaluation and the commercial evaluation shall have the weightage of 60% and 40% respectively and this weightage shall be considered for arriving at the successful bidder. The evaluation methodology vis-à-vis the weight-ages are as under:

○ Technical Bid Evaluation

All the technically qualified bidders will be empaneled with BFSL, BFSL will select one vendor for this RFP. But in future due to performance issue or any kind of quotation which is related to the scope BFSL will approach empaneled bidders for quotation. Finalization of Bidder will be on sole discretion of BFSL. The vendor needs to achieve a cut – off score of 60 marks in this evaluation stage to be qualified for commercial bid opening. Only those vendors who achieve the specified cut – off scores would be short-listed for Commercial Bid Evaluation. The Technical Proposal will be evaluated for technical suitability and the criteria for evaluation of technical bids are as under:

#	Proposal Bid Evaluation	Scores
1	Technical Bid	100
Maximum Technical Proposal Bid Evaluation Score		100

○ Commercial Bid Evaluation

The vendor who achieves the required cut – off technical score as part of technical evaluation shall be qualified for commercial bid opening. The commercial bid would be evaluated based on a “Total Cost of Ownership” (‘TCO’) basis. The key considerations of the TCO would be the total payouts for entire project through the contract period of 3 years.

○ Weighted Evaluation:

On the basis of the combined weighted score for technical and commercial evaluation, the bidders shall be ranked in terms of the total score obtained. The proposal obtaining the highest total combined score in evaluation of quality and cost will be ranked as H-1 followed by the proposals securing lesser marks as H-2, H-3 etc. The proposal securing **the highest combined marks and ranked H-1 shall be recommended for award of contract.**

As an example, the following procedure can be followed:

A score (S) will be calculated for all qualified bidders using the following formula:

$$\text{Clow}/C \times 100 + T (1-X)$$

C stands for discounted rate arrived basis of commercial evaluation;

Clow stands for the lowest rate arrived basis of commercial evaluation.

T stands for technical evaluation score and

X is equal to 0.40.

#	Bidder	Technical Evaluation Marks (T)	Discounted Rate (C)	T * 0.60 (A)	[(Clow / C) x 100] x 0.40 (B)	Score (S = A + B)
1	AAA	75	120	50	33	83
2	BBB	80	100	53	40	93
3	CCC	90	110	60	36	96

In the above example, Clow is 100.

In the above example, CCC, with the highest score becomes the successful bidder (**H1**).

In case of more than one vendor with equal highest score (S) upto three decimal, then number of decimal will be increased.

The Company may in its absolute discretion engage in discussion or negotiation with H1 bidder. The decision of the Company shall be final and binding on all the vendors to this document. The Company reserves the right to accept or reject an offer without assigning any reason whatsoever.
